SUMMARY

Head of Content and Digital Marketing Specialist with 8+ years of experience in finance, FX/CFD, crypto, and Web3, currently leading content for a regulated crypto spot exchange under MultiBank Group. MBA in Digital Marketing with expertise in multi-brand content strategy, AI-native content operations, performance marketing, SEO, and Web3 event marketing. I bridge financial insight with digital innovation to deliver compliant, data-driven content that grows engagement, acquisition, deposits, and trading activity across global markets, and I build the AI tooling that scales it.

WORK EXPERIENCE

Head of Content, mb.io (formerly MultiBank.io), part of MultiBank Group, UAE | Dec 2025 - Present

- Own the full content lifecycle across three brand accounts (mb.io, \$MBG Token, and the CEO's personal brand): social calendars, long-form editorial, earn campaigns, paid ad copy, client communications, and the market intelligence layer feeding a weekly Monday Outlook; 200+ posts published across 5 platforms in 5 months.
- Lead organizer of mb.io's Platinum Sponsor presence at Istanbul Blockchain Week 2026: managed vendors and event organizers end to end, ran KOL relations on the ground, and hosted the invite-only VIP dinner for HNWI partners, the highest-ROI element of the event.
- Build and manage KOL relationships as an OTC deal channel, converting influencer meetings into desk-level conversations opening at \$200K and above.
- Represented mb.io at Binance Blockchain Week 2025, RWA Week 2026 in Dubai, Bitcoin Pizza Day 2026 at TheBlock, and Philippine Blockchain Week 2026, yielding high-value contacts and an OTC network.
- Designed and built an AI-powered content management dashboard in-role: three-brand scheduling with approval layers, an AI writing agent per brand voice, a 100+ topic blog pipeline, and automated content gap detection.
- Led end-to-end content for the \$MBG Token lifecycle from Pre-Sale through TGE and beyond, including a MiCA-compliant whitepaper, DAO governance communications, and community activation across X, Telegram, and LinkedIn.
- Own and run the mb.io Substack publication: the weekly mb.insider newsletter plus comprehensive long-form articles, 20+ issues covering markets and products.
- Contributed core content to a KOL-amplified social program reaching 5.8B in a 90-day window.
- Write and optimize performance copy for Google Search, Meta, and Performance Max campaigns, plus ASO copy for Google Play and the App Store, and author UI/UX microcopy for the mb.io app.
- Develop positioning for mb.io's RWA marketplace, framing the platform as institutional-grade infrastructure backed by a multi-billion-dollar ultra-luxury real estate portfolio.
